

Bolton Town Hall Extension and Civic Centre 1939

- 1** Original Town Hall
- 2** Town Hall Extension
- 3** Library, Museum and Art Gallery
- 4** Public Health Department
- 5** Police Station and Magistrates Courts (Police garage and morgue behind)

Smoke and mirrors...

Although the curved facade of the Civic Centre is symmetrical and aligns perfectly with the rear of the Town Hall extension, the building is not what it seems.

It is natural to assume that the two wings mirror each other. The plan view shows otherwise.
